Use this sheet to collect questions and answers **in preparation for the final treasure hunt** which can be played between December 21st and 23rd.

Remember that you can **navigate to the next scene** in the game by finding and **clicking on the Reindeer Sleigh** and you can find **Helpful Santa** and the **Detective** to give you clues to the questions.

Below are some of the icons you will find in the treasure hunt.

	<p>There will be Santa and his sleigh in every scene to show him setting off for his next location. Clicking on this icon ALWAYS moves to the next scene. Make sure you have searched for all the other clues and questions before you move to the next scene !!</p>
	<p>Helpful Santa will be around on most scenes to give you some useful tips such as showing you a map of the scene location or giving you instructions on what to do.</p>
	<p>The NAUGHTY ELF is very unpredictable. Often, he will take you back several scenes but sometimes he can supply some useful information. Be wary of the naughty elf</p>
	<p>The DETECTIVE can give you useful clues to help you answer the questions on each scene. Sometimes he will be almost invisible to you really have to search to find him. If you point at him or move over his image you will know here is there.</p>
	<p>The QUESTION does exactly what it says. Questions can be visible like the one above almost invisible like the detective. Every question you find will be included in the FINAL TREASURE HUNT</p>
	<p>Other Icons may appear in some scenes and they can be clues, questions, hotspots or sponsor logos with links to other web sites.</p>
